## Introducing AzLA Business Membership...

Becoming a Business Member with Arizona LeadingAge (AzLA) offers you an open door to work directly with not-for-profit skilled nursing centers, assisted living communities, HUD housing, life plan communities, adult day centers, and behavioral health residential facilities throughout the state of Arizona. Arizona LeadingAge takes pride in being the state's only primarily not-for-profit mission-based professional aging services association and advocacy organization, representing provider member facilities who care for more than 20,000 older adults in Arizona.

Arizona LeadingAge's business membership is offered to companies engaged in supplying products and services to the field of aging services. Arizona LeadingAge business members will gain valuable access to key decision-makers in aging services, as well as prized marketing and development opportunities. Business members are able to engage in multiple educational opportunities and networking events, including the Annual Conference & Expo, member-led forums, and seminars.

Come join us and help support the field of aging services in Arizona!
